DEDICATION

*W*ITH all reverence and sincerity
The DIAL is dedicated to Mr. Edward G.
Rose, Principal of Marshall High School,
whose efforts of the past eight years
have made our high school one of the
most outstanding in Michigan.

As the school year of our Lord nineteen hundred thirty seven draws to a close, we, the Dial staff and senior class, hope the following pages will bring back happy memories of days spent at Marshall High School.

The foundation has been laid, upon which we who hold the future in the balance, must now build and perfect, as we live from year to year.

SENIOR

HALL OF FAME

The above Hall of Fame distinctly refutes the old epigram that a prophet is not without honor save in his own country. The committee, in selecting these six from a class blessed with more than the average in creditable and distinguished members, depended largely upon the standing of these individuals with their fellow seniors and with the student body. Each of the six commands the wholesome respect of all, and has remained consistently on a high plane of citizenship, scholarship, service, and all-round activity.

K. Albaugh ranks among the two or three best high school debaters in the state, according to several debate experts. He studies avidly current history in the making; he reads everything worth while; he is one of the yell leaders and a gymnast.

R. Carver is a diplomat. As president, he has steered his class between Scylla and Charybdis for two years and they still admire him. He is a basketball star. If a need arises, he can rustle property for a play as efficiently and willingly as he conducts a class meeting or throws a basketball. His honor and integrity are notable.

J. Craig, the 1937 valedictorian, has maintained an amazingly high level in scholarship the entire four years. He is an idealist, a cornetist of talent, an enthusiast for cultural activities, and yet retains the businessman touch. He was president of his class two years.

M. Eaton typifies the most desirable phases of high school girlhood. With her even temperament and non-spectacular ability, she goes on her way. She helped "make the wheels go around" in all her organizations and class activities, and engineered the exchange assemblies in 1936-37. The administration chose her to represent Marshall in the Michigan D. A. R. project, wherein outstanding girls in the high schools of the state are mobilized.

J. Moses, the editor-in-chief of this year book, has a record of excellent scholarship, and trustworthiness in every post of duty. He has consistently gone out for various sports, content to obtain all possible benefit from them and to contribute his best at every opportunity. He edited the paper successfully until his resignation to take over the annual. He is active in club and class activities.

R. Myers, the salutatorian, represents the finest type of student and womanhood. Her superior record in academic subjects came by natural ability and hard work. She was especially interested in speech activities during her work in M. H. S. Modesty, refinement, and ambition distinguish her every effort, and she richly deserves a place in the sun.

SENIOR CLASS HISTORY

Peering cautiously around corners, setting our feet down carefully, and altogether looking (if possible) more foolish than we felt, the graduating class of 1937 entered M. H. S. in 1933. We were Freshmen! So what?

So — we proceeded to elect Jack Craig, Jr., president of a "slightly" green class. Although we didn't do so well in the Student Council elections, we certainly showed the upper classmen and the teachers that we could stage a rather "spiffy" dance when called upon.

Our first year in M. H. S. ended with a picnic at Duck Lake, held jointly with the Sophomores.

With three months of vacation behind us as a "pepper-upper", we set off on our second year's course with Jack Craig again as president. "Art" Goodwin, by this time, along with I. C. Livingston and James Banks, had started to carve out a niche for himself in the athletic hall of fame. We chose Miss McLin and Mr. Davis our sponsors for the year.

Under Miss McLin's supervision, the class presented the Christmas play, "Tidings of Joy". Another dance was added to our record for the school term.

Our third year, as is usually the case, was the hardest and busiest; filled with everything from class plays to selling newspapers. With Richard Carver as our president, among the activities we carried on were: winning the Student Council election for president, putting I. C. Livingston into that exalted office; giving the annual Junior play, "Dulcy", which was a rip-roaring comedy success; selling hot dogs in dough overcoats, and candy, at all football games; gum, candy, and frostbites at the basketball games; and last, but far, far, from least, we exhibited our "own" talent in the way of a rather "wet" party, the annual J-Hop. The fishes swam "round 'n 'round" and we all came "out there" at the Codfish Ball.

Then, with the dignity of three years behind us, we came back to bring successfully to an end our high school years. We gave the "get-acquainted" party at the beginning of the year, and then went ahead to nominate Maurice Eyre for vice-president of the Student Council, to which office he was subsequently elected. After the campaign we settled down to just plain school, with Richard Carver again as president. Miss Shoup and Mr. Carr acted as our guides through this year as they also did in our Junior year.

The Senior play, "Stop Thief", was presented to a large and enthusiastic audience on February 25; and now as you read these words we are looking forward to Baccalaureate, Commencement, and after that — a life which will continue the work begun in our Alma Mater, Marshall High School.

FOOTBALL

Starting the season with six letter men (Captain Livingston, Purcell, Goodwin, Clayborn, Flynn, and Kempf) brightened prospects for Coach Carr's Redskins.

Journeying to the Battle Creek Bearcat's Camp, the Redskins came home with a 7 to 6 victory tied to their belts.

The Adrian Mapleleaf fluttered to the Redskins' new gridiron for the first home battle of the season. The Mapleleaves went home all sacked up, 48 to 0.

By scalping Eaton Rapids 46 to 0, the Redskins kept their victory march intact.

The Coldwater Cardinals soared to Marshall's new gridiron officially dedicating it, but went home singing the blues to the tune of 33 to 6.

Without the aid of the "Wooden Horse," the Redskins out-maneuvered the Sturgis Trojans, 20 to 13.

The buzzing Hillsdale Hornets swarmed on the Redskins' scalping grounds, and lost all their sting by a 32 to 0 score. The Redskins, finishing their home season with this game, remained undefeated at home.

Journeying to the Adrian Wildcats' den, ready to trim their claws for them, the Redskins (bloody but unbowed) came home with their scalps clawed off, 7 to 6.

A great deal of credit is also due to the "Papooses," who relieved the Redskined Warriors in all but two games, and gave a very fine account of themselves.

The "Papooses," following in the footsteps of the older "Braves," tomahawked Jackson Reserves into submission, 14 to 0.

The Lakeview Spartans could not endure the scalping knives of the "Papooses" and lost out 19 to 13. Thus we have both the "Papooses" and "Redskins" keeping the home record intact.

During the season, marred only by the loss to Albion, the Redskins amassed 192 points to their opponents' 32.

Upper Row: Mr. Carr (coach), J. Hazel, F. Kahler, T. Wilson, R. Van Arman, H. Lower, Mr. Gray (asst. coach).

BASKETBALL

The Redskins started the 1936-37 season with four lettermen: Purcell, Van Arman, Livingston, and Goodwin. These men, along with Carver, Eyre, Kahler, Wilson, Bushre, and Smith proved to be the second best class B squad in the state.

Marshall won eight and lost three Twin Valley games. The Redskins beat every team twice except Sturgis and Coldwater, splitting with Sturgis and losing two to Coldwater.

The Carrmen won the District tourney by defeating Albion, 29-13. In the regional tournament game with Eaton Rapids, heretofore undefeated team, the Redskins won, and had their old jinx, Coldwater, to play for the championship. After a hard fight Marshall conquered them.

Marshall won their quarter-final game by massacring Plymouth, 42-24. In the semi-finals the Redskins drew Lapeer, another hitherto undefeated aggregation. The cool, smooth-running Lapeer machine gave the Redskins a terrific battle for three quarters. At the start of the fourth quarter it was still anybody's game, but not for long. The Redskins took to the warpath in earnest and overwhelmed their opponents. The final score was 37-21.

The lone remaining barrier between Marshall and the state championship was St. Theresa of Detroit, the defending champions. The Redskins made a valiant attempt to hurdle this final barrier but were unsuccessful.

After the best campaign ever experienced by a Marshall team, the Redskins found themselves in possession of three cups, and best of all, Coach Charley Carr has predicted a State basketball championship team within four years.

Upper Row: G. Rivers, D. Cook, D. Face, L. Giroux, E. Rivers.

BASEBALL

Coach Bruce Gray's baseball team has, with two games unplayed at this writing, won four and lost four. They have also thrown the Twin Valley pennant race into a wide-open affair by beating two teams who were supposed to be good. The Redskins themselves had a good chance for the championship until, on a rainy day in May (the twenty-first), they dropped both ends of a double-header to Coach "Sonny" Bauer's Coldwater Cardinals. The double-header was the result of a rainstorm which "washed out" their game at Coldwater when the score was tied 2-2 after nine innings of play.

In their first game of the season, the Redskins went down before the Sturgis Trojans 9-4. The Trojans scored five runs in the first inning after which Purcell settled down and held them well in check but the Indians could not overcome the five run handicap.

Hillsdale came here for the next game, and the Reds, behind the pitching of Hazel, downed them 2-1.

In the third game of the season, the Redskins were unable to hit the offerings of Limbacher, Adrian ace, and bit the dust to the tune of 7-2.

Next was the 2-2 tie with Coldwater; and a few days later, on May 7, Albion came here to play. Their pitching wasn't good enough and Marshall took the long end of an 8-7 score.

To start the second round of games, Sturgis came to Marshall. At the end of the regular seven innings the teams were deadlocked 4-4. Sturgis pushed over a run in their half of the 8th and took the lead 5-4. The first two Marshall men in the 8th were easy outs and Sturgis had just one more man to get to beat the Reds. Flynn, however, drew a walk and Kahler beat out an infield hit. The boys then worked a sweet double steal and, with men on 2nd and 3rd, it was up to Tommy Wilson to deliver. He looked a couple over, fouled a couple more off, and then hit a sharp single to right, Flynn and Kahler scoring on the blow, thus giving the game to Marshall 6-5.

The "One Run Wonders" then went to Hillsdale and downed the Hornets 5-4, for the second time during the season.

At this juncture of the race the Redskins appeared pennant bound, but as we go to press the Coldwater double-header has just been played and our chance is gone for another year. The team dropped the first encounter 2-1, and the second 8-3.

Albion and Adrian are the two remaining teams that Marshall had to play to complete the schedule.

TRACK

Track, for the first time in several years, was taken seriously in Marshall. About thirty boys responded to Coach Carr's initial call. The boys who participated in meets were: R. Coleman, Boos, and Goodwin in the dashes; Thompson and Kempf in the mile run; C. Coleman, Orn, and Russell in the half mile; Gaskill and Keller in the 440 yard dash; Keller, Boos, and Gaskill in the broad jump; Kempf, C. Coleman, Thompson in the high jump; Livingston, Moses, Groesbeck in the low hurdles. The relay team consisted of Boos, R. Coleman, Livingston, and Goodwin, with Groesbeck as alternate.

The first meet participated in by the Redskins was the Albion College Invitational Meet. The Redskins were competing against Class A teams from Saginaw, Grand Rapids, and Jackson, besides several Class B teams. The Indians finished better than any Class B opponents. Goodwin was third in the 220 yard dash and fourth in the 100 yard dash. Kempf won fourth in the mile, and the relay team of Groesbeck, R. Coleman, Livingston and Goodwin finished fourth.

Marshall walked away with the Twin Valley meet held at our new athletic field, May 8. The Redskins scored sixty-one points against Adrian's sixteen, Coldwater's fourteen, and Albion's four. Lakeview failed to score. A summary of the meet appears below:

100 yard dash—1st Goodwin (M), 2nd Russell (Ad.), 3rd R. Coleman (M). Time: 10.5 T. V. Record.

In the regional meet at Kalamazoo, the Marshall thinclads scored sixteen points to give them sixth place in team scoring. Eleven Class B teams participated in the meet. Goodwin won a first in the 220 yard dash and a third in the 100 yard dash. Kempf and Thompson took second and fifth, respectively, in the mile run, and C. Coleman took third in the 880 yard run.

Goodwin and Captain Kempf took third in the 220 yard dash and mile run, respectively, May 22, at East Lansing; in the finals of the State Track and Field Meet.

INTRAMURAL SPORTS

The purpose of intramural sports is to give students who do not play on varsity teams a chance for exercise and recreation.

Intramural sports, introduced in '32, have completed their fifth successful year in Marshall High School. These games are under the supervision of Coach Carr.

For the first time awards were received by players of the winning teams in Junior and Senior High in basketball.

Three teams are selected from each grade and captains appointed by class presidents. Eight games are played by each team during the season. These games are played during the noon hour from 12:15 to 12:50. The teams play six minute quarters, and have one minute between quarters and four minutes between halves.

Class spirit runs high in these matches, and every player exerts himself to the utmost. Each new schedule of standings of the teams goes on display weekly, and the whole series is conducted in a business-like way.

In the Junior high group the 8-3's walked away with the title, with eight wins and no losses. The members of the winning team are: V. Zull (captain), H. Yaudes, J. Paxton, E. Moushey, R. Allen, D. Bennett, and A. McPherson.

The competition was a little tougher in Senior High, the 12-2's winning the title with seven wins and one loss. The members of this team are: R. Kempf (captain), J. Banks, M. Hopkins, H. Keller, D. Hoexter, R. Curren, C. Lutz, E. Rowland.

CLASS BASKETBALL

The intramural basketball program was completed with class basketball. Using one team from each of the four upper grades, three games were played.

The first game was a "walk-away" for the Sophomores over the Freshmen, 48 to 14.

The Junior-Senior game was a see-saw affair; the Juniors winning 29 to 22.

The Sophomore-Junior championship game was by far the best of the three, with Juniors finally edging out Sophomores 15 to 13.

CLASS SOFTBALL

The Sophomores and Freshmen inaugurated the class softball season Monday, May 17. The Sophomores proved to be the superior team, winning 11 to 0. Robert Miller pitched for the Sophomores and Roosevelt Coleman for the Freshies.

The Seniors walloped the Juniors 9 to 1, with Arthur Goodwin pitching for the Seniors and Russell Bates for the Juniors.

The championship game between the Seniors and Sophomores started May 20th and ended Friday, May 21. Goodwin and Sampson staged an old fashioned pitcher's battle and, at bell-call to school, the game ended with the score tied 1 to 1. On Friday the game turned out to be another pitcher's battle, Sampson getting the better of Goodwin 4 to 3.

THE DIAL STAFF

The 1937 Dial Staff inaugurated a new era in the history of the school paper. The journalism students mimeographed it, thus getting more experience. It was less expensive, hence, the paper came out twice a month for the entire school year, the first time in the history of the school. For one semester they supplied a monthly issue of a high school Roto-Review, an innovation, expensive but enjoyable.

Since official positions on both the paper and annual underwent numerous changes because of resignations, each student had an opportunity to serve in several capacities.

In the fall and again in the spring the staff staged one-act play assemblies and earned \$52.00 toward the Annual fund. Those participating were: B. Maurer, C. Paxton, M. E. Eaton, M. Miller, G. Page, D. Bemis, M. Francisco, M. Davis, L. Giroux, O. Gaskill, and T. Orn.

The group made merry at Christmas time with a "colossal" party, cooperative supper, gifts, et al.

The staffs at the end of the year stood: the paper—W. Groesbeck, editor-in-chief; M. Eaton, associate editor; O. Gaskill, art editor; E. Bottoff, chief printer and distribution manager.

The annual—J. Moses, editor-in-chief; B. Maurer, associate editor; R. Boos, business manager; G. Page, art editor.

The group photographs for the annual, taken out-of-doors, improve it; and the art work required skill and imagination.

SCIENCE CLUB

Mr. Hammond, ruler for eleven years over the Science Club, was assisted by Jack Craig in guiding it through another year. Marian Jenkins was vice-president; Richard Carver, secretary-treasurer; and Charles Rentschler, sergeant-at-arms.

The thus-far unsurpassed initiation of the Science Club was repeated, on December ninth, with many blood-curdling and "shocking" experiences.

On November twenty-seventh the old members, numbering nine, drove to Jackson and surveyed the State Prison. Then, since it was bath day for the prisoners and time hung on the expeditioners hands, they called at the Macklin Grinding Wheel Factory.

During the Christmas vacation, on December twenty-eighth, the entire club journeyed to Kalamazoo and visited the Vegetable Parchment Company. To make a full day, they also intruded upon the Insane Asylum; and catching a deep breath of clean air, they drove down to Western State Teachers' College and nosed around.

Standing: M. Banfield, Mrs. Parry (sponsor), B. Case, T. Gollmer.
Seated: A. Foss, M. Miller, R. Myers, R. Van Voorhees.

LIBRARY CLUB

The Library Club was organized in 1928 by Mrs. Parry, in order that the students might have a chance to learn something of library work, and contribute to school welfare. Every hour a librarian is assigned to take charge of the checking of books and magazines.

The work of the librarians was facilitated by the addition to the staff of Mrs. Frances Miller, who stayed in the library all day helping the librarians in their rushed moments and keeping check on books that needed repair.

The magazines have been centered in the library instead of being in individual teacher's rooms, thus giving all the students benefit of them. The magazines have been kept in closed stacks because of the great number of copies lost with the open stack system.

Approximately \$300 was spent this year in new books for the library, including a subscription to the Junior Literary Guild.

F. F. A.

The local chapter of the Future Farmers resumed the 1936-37 term with forty members.

The Marshall chapter is a division of the state F. F. A. which in turn is a division of the national F. F. A. There are 3,500 local chapters with an approximate membership of 82,000.

On October fifth F. F. A. held its first regular meeting in the Agriculture room at which time the new president took over the duties of the chapter. Newly elected officers for the current year are: Charles Cook, president; Harold Johnson, vice-president; Charles Rendall, secretary; William Ragina, treasurer; Richard Huggett, reporter; William Bosserd, watch dog.

Addition to the membership took place on February fifteenth with a total of ten Greenhands being initiated. On March tenth five Greenhands of last year were raised to Future Farmers, which is the highest degree possible in any local chapter.

The banquet usually held in the last semester of each year was held on March twelfth. The banquet this year was attended by sixty persons. The principal speaker was R. E. Decker from Michigan State College. Mr. Decker is the head of the hybrid corn department. Mr. and Mrs. Henry were honored guests.

The F. F. A. basketball team again went through the season undefeated by any other F. F. A. team.

With the closing of school, preparations are under way for a summer program.

G. A. A., Juniors and Seniors

The Girls' Athletic Association in its sixth year continued to promote sportsmanship and all of its axioms. Miss Whiteley, the physical education teacher for the girls, sponsored the organization, with Theobelle Gollmer as president. Mary Emeline Eaton was vice-president; Barbara Harrison, secretary-treasurer; Gail Reincke, sports manager; Jeanne Ruddock, business manager. Each class had a representative on the executive board: Edith Elsie, senior; Susan Udell, junior; Annabelle Beattie, sophomore; and Virginia Hayes, freshman.

On Wednesday, December ninth, the members honored their mothers and women members of the faculty at a tea, in the foyer of the school, which was decorated with Christmas garlands. Music was furnished by the girls' ensemble. The president gave a short speech on the activities and motives of the organization.

The organization carried out a very worthwhile Christmas project when each member brought an article of clothing and food for a needy family. The overflowing baskets which were delivered a few days before Christmas brought cheer and happiness to the recipients.

February fifth, fifty-eight girls went through the heart breaks of informal initiation. They arrived at school at seven a. m. and were checked by members to see that all

necessary and sundry apparel was in full view and accounted for. The poor pledges had a hard day, having to propose to practically every boy in the building and to explain the actions accompanying a case of St. Vitus' dance.

A week later on February eleventh, the prospects were formally initiated in the girls' gymnasium and certificates of membership and numerals were presented. This solemnity was preceded by a lovely banquet.

The constitution underwent a few changes this year. Badminton and ping-pong were added to the list of sports and only 100 points can be acquired in any one sport. Many have earned 2000 points and it was decided to award pins to these girls.

An undertaking of the G. A. A. brought about the purchase of a fine radio-victrola by the school. Every Friday noon for two months penny dances were held in the girls' gym.

The Spring Formal, the gala event of the year, was so well heralded that male students were swamped early in the fall to escort the members to their frolic. The fete ocured May seventh.

Leaving 104 members to start the year 1937-38, the organization may proudly say that they have accomplished much toward attaining better relationship and companionship in the school life.

SPEECH

The above group consists of the M. H. S. Speech Club. This year it has sponsored many debates and the local speech contest in oratory, declamation, and extempore speaking. On the whole the M. H. S. Speech Club has been highly successful in its second year of existence, under the able direction of Mr. Theral Herrick.

Debate: Destined for victory, twenty-seven students tried out for the 1937 debate squad. A. Mason, V. Brownfield, N. Oversmith, S. and M. Udell, J. Schroeder, K. Albaugh, and B. McKinstry comprised the final squad. The question for debate was: "Resolved: that all electric utilities should be governmentally owned and operated." Marshall took part in about fifty-four practice and twelve judged debates of which they lost three. With only twelve schools in the running, Marshall lost her state elimination debate to Comstock. Individual pins were awarded to the outstanding debaters, and The Detroit Free Press Plaque to the school.

Declamation: "The Thoroughbred," presented by J. Schroeder, received first place in the school contest and third place at the declamation contest at Hillsdale. Twenty-seven went out for declamation. In the local contest H. Face won second place. Others who participated were: B. Keefer, M. Weers, and V. Brownfield.

Oratory: S. Udell with the original oration, "Democracy on Trial," won the local oratorical contest and represented M. H. S. at Hillsdale, April 13. Here she rated third. Nine went out for oratory, with the following chosen to compete in the school final: S. Udell, C. Costman, S. Bentley, and D. Fenton.

Extempore Speaking: As the only one to go out for Extempore Speaking, K. Albaugh represented Marshall in the Twin Valley Speech contest. Kenneth brought honor by bringing back second place.

By a score of 8-8, Marshall tied with Lakeview for the Twin Valley Season Championship, both schools being awarded a cup. Points were awarded as follows: Debating 4, Oratory 1, Declamation 1, and Extempore Speaking 2. Mr. Herrick may well be proud of his proteges, and his proteges are proud of his coaching.

ART CLUB

The Art Club has been guided through another successful year by its sponsor, Miss Elizabeth Burgett, and President Billy McKinstry, with Gwendolyn Page as Vice-president and Barbara Harrison, secretary-treasurer.

The club opened the season with a Hallowe'en masquerade party, a box social, held in the high school art room. The money derived from the auction was deposited in the club's treasury.

At Christmas time the club members painted a church window as permanent property for the Christmas plays in Marshall High School.

Another project in the making this year was an illustrated "Book of Minutes" for permanent records.

This spring the club went on an educational trip to the Institute of Art in Detroit.

PLUS ULTRA

The first Latin Club ever to be organized in M. H. S. came into existence in the fall of 1926 and for four years was an active organization. The following year Latin became a two-year course and because of the change, no club meetings occurred. Last fall, however, it was decided to reorganize. Thus the present club is merely a continuation of the original "Plus Ultra," retaining the same colors, purple and white, the same insignia, the Vestal Virgin's lamp, and in general the same constitution. The avowed purpose of the club is to further an interest in the study of Latin.

The present officers are: Marion Thomas, Consul; Douglas Packard, Vice-Consul; Meredythe Frost, Scriba; Mary Louise Aldrich, Aedile.

While perhaps their accomplishments this year have not been as outstanding as expected, yet with this modest beginning they are looking forward, as their name says, to more beyond.

USHER CLUB

The Usher Club was organized in 1925 under the sponsorship of Miss Elsie Wagner for the purpose of assisting at the various school activities, and has proved to be one of the oldest as well as one of the most distinctive organizations of this kind in Marshall High School.

Each year, since there remain only ten old members, ten new members must be chosen; two of which are chosen from the Sophomore class, six from the Junior class, and two from the Senior class, making twenty in all. Also they must choose a head usher and assistant head usher. Those who served in these positions this year were Virginia Stealy and Barbara Harrison.

The ushers donned their uniforms to assist at the Junior and Senior plays, for the Music Boosters Club and various other school and community activities.

Under the supervision of Miss Wagner, the club has had a busy, but most successful school year during 1936-37.

Under the sponsorship of Mrs. Wright, the Commercial Club entered its sixth year as a school activity.

The meetings this year were held at the homes of the members and were largely social with a short business meeting included each time. The parties for the year were held as follows: October, Mrs. Wright's; November, Roberta Van Voorhees's (cottage at the lake); December, Wilma Nelson's (this, our annual Christmas Party proved to be a hilarious success); January, Ada Foss's; March, Carolyn Paxton's; May, Virginia Shanley's; and the last activity was a picnic.

The club carried on its work under the leadership of James Moses, president; Carolyn Paxton, vice-president; and Lucille Leyda, secretary-treasurer.

Membership in the club is not confined to present members of the shorthand class, but includes anyone who has taken shorthand in the past, since the founding of the club. Many alumni attended the meetings this year.

TYPING CLUB

The Typing Club started its second year of activity under the able sponsorship of Mr. Moore by enrolling new members and adopting a new constitution.

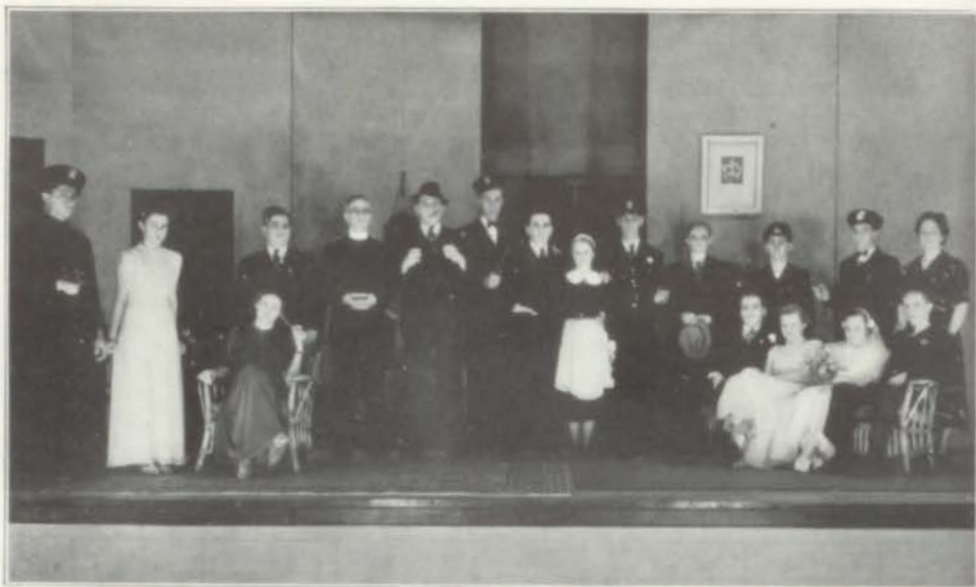

The purpose of the club is to promote a knowledge of, and develop an interest in, type-writing in the various phases of its personal and vocational uses.

The group holds a regular meeting once a month during fourth hour. In addition to the regular meetings there is an occasional meeting of a social nature held during the evening.

To enter the club one must be a student with a "B" average in typing and have a "C" average in the rest of his school work.

One of the activities sponsored by the club was a play, "The Golden Hand," depicting the qualities of a good secretary.

The club plans to become even more active and to broaden its scope of activity next year.

Seated: M. Miller, J. Craig, V. Stelpflug, E. Elsie, J. Moses.

SENIOR PLAY, "STOP! THIEF"

"Stop Thief," the 1937 Senior Play, called forth continuous laughter from the record house attending. The three-act farce offered swift action, clever dialogue, and surprising climaxes; and was acted in near-professional style by the unusually strong cast; the result of Mrs. Murray's capable direction.

The players were: Mart Davis, absent-minded, near-bankrupt Mr. Carr; Margaret Miller, his charming, hard-of-hearing wife; Edith Elsie, Madge Carr, the demure and long-suffering bride-to-be of James Cluney, the harassed, deluded bride-groom played by James Moses; Valeria Stelpflug, the flirtatious, fetching daughter Joan, who won the stalwart, handsome, serious Dr. Willoughby, played by Jack Craig; Verna Sharpsteen, the attractive and helpful sister Caroline; Galen Cosgrove, Mr. Jamison, a practical and emphatic business man; Arthur Goodwin, an over-confident, swaggering, "dick from headquarters", Lewis Giroux, the suave, light-fingered crook Jack Doogan, in league and in love with Marian Tadman, the adroit, petite maid, Nellie; Thomas Orn, the dignified and abused minister, who finally performs the ceremony; Harold Keller, the domineering and distraught Sergeant of police; Owen Gaskill, William Dobbertein, and Ira Hershberger—his three most able assistants; and Dick Carver, doubling as a liveried chauffeur in the play, and as property manager (together with Marian Jenkins) for the production. Doryl Bemis stood by alertly as prompter, but, to the credit of the cast, was not needed.

The play was staged on February 25, and received gratifying approval from all sides.

JUNIOR PLAY, "JUST OUT OF COLLEGE"

On December fourth, the Junior class, under the direction of Miss Ethelyn Sexton, presented the three-act comedy "Just Out of College."

Edward Worthington Swinger, a jaunty young man just out of college, played by Lamar Rushford, has fallen in love with Caroline Pickering (Thelma Bigelow) the charming daughter of Septimus Pickering (George Purcell), owner of a pickle business. Jeanne Ruddock plays the part of his socially-minded wife, Luella Jenkins Pickering, who is constantly accompanied by Professor Bliss, successfully portrayed by Martens Mueller.

Swinger is presented a sum of money by Pickering to set up a business of his own, but he invests all in a rival pickle concern, owned by N. W. Jones (Margaret Kraushaar, a business woman).

Romance enters the story with the engagement of Genevieve Chizzle, one of those candid friends, Joyce Bemis, and "Slivers" Mason (Robert VanVoorhees) and the betrothal of Bernice McCormick, the stenographer, and Ernest Bradford, the bookkeeper, played by Gail Reincke and Richard Huggett, respectively.

Many other characters (above) added to the humorous situations of the comedy.

Credit for the successful production and setting of the play is due to the capability of Miss Sexton, the directress; the property manager, Jayne Smith and her committee; and the stage crew, headed by Bernard Waidelich.

Upper Row: R. Corrigan, J. Schroeder, R. Carver, F. Kahler, G. Purcell (president), T. Wilson, A. Goodwin, M. Elyre (vice-president), D. Cook.

 Fourth Row: V. Brownfield, M. L. Aldrich, V. Stealy, D. Bayley, Mr. Rose (sponsor), S. Cooley, M. Scott, D. Faust.

STUDENT COUNCIL

On November third, after a boisterous day of campaigning, the student body elected George Purcell, a junior, president of the school council; Maurice Eyre, a senior, vice-president; and Robert A. Miller, a sophomore, secretary-treasurer.

By an amendment to the constitution, the members of the school council have been changed. The president and vice-president of each class belong, and there is a representative from each home room. They meet every two weeks.

The intramural sports activities, school union, exchange assemblies, and school service commission were all under the supervision of, and sponsored by, the council.

This was the fifth year of a student governing body in Marshall High School. It maintains a check and balance system between the teachers and pupils, and has proved itself decidedly worthwhile.

BAND

The band, with forty-six members, has contributed largely to major occasions this year.

It began the year by playing at all home football games, and accompanied the team to Albion. The basketball season kept them on the jump. Besides playing for all home games, they played at Albion and Jackson for the tournament games, and chartered a bus for attending the final game at Flint. They played for the programs of the Booster Club, assemblies, pep meetings, and civic occasions, such as Decoration Day.

This year a new feature of the band and orchestra is a solo from each member, twice each semester to check improvement made. New red sweaters added to the morale and appearance of the group, and future plans include complete uniforms with coats, trousers, caps and belts.

The success of the band is due to the superior leadership and careful instruction of our director, Mr. Walter C. Jenvey.

ORCHESTRA

The High School Orchestra, which consists of thirty-seven members, has greatly improved this year.

It played at the senior play, the junior play, and the grade operetta. It also furnished the musical background for the speech contests, Marshall Rotary Club, Eckford Community Club, Calhoun County teachers lectures in Marshall High School, for Music Booster club programs, and the high school assemblies and community functions which were held in the High School Auditorium.

The Ensemble played on several occasions. It consists of five members of the Orchestra: Mary Elizabeth McKinstry, Mary Cox, Natalie Oversmith, Alice Grandy, and Mr. Jenvey.

These people played on the Exchange Assembly and for the elimination debates.

The members of the Orchestra owe a great deal to their encouraging and faithful director, Mr. Walter C. Jenvey.

Mr. Fuog: Dick, how was iron dis-

Bill Vogt: Why?

Jerry Summerfield (just waking up):
