We've only just begun
to live

White lace and promises

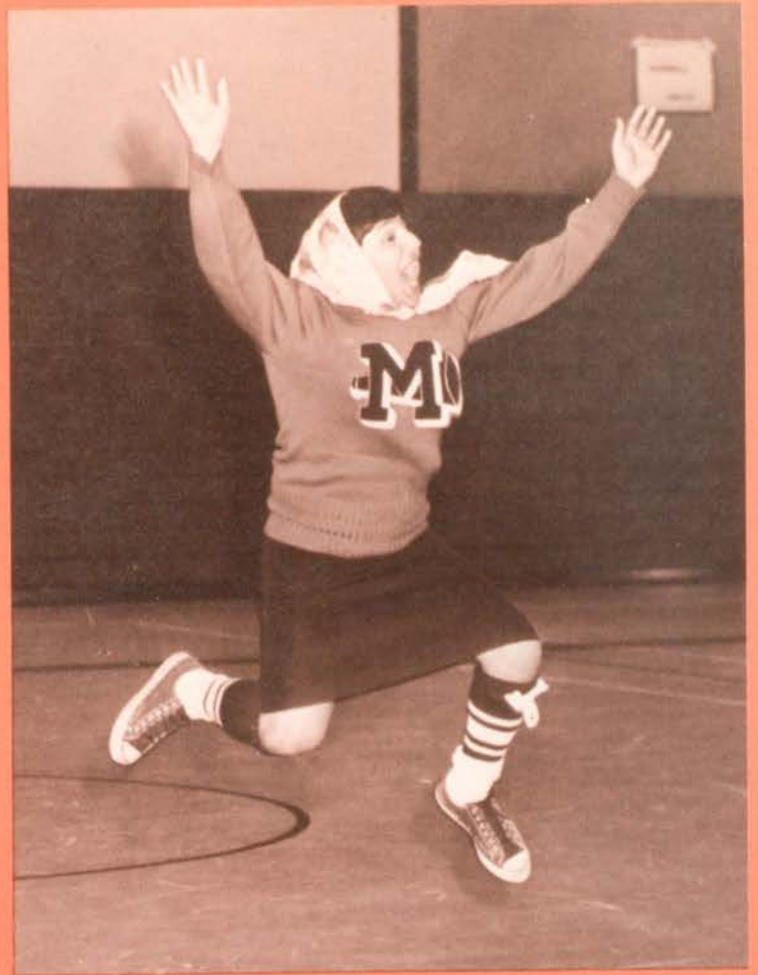

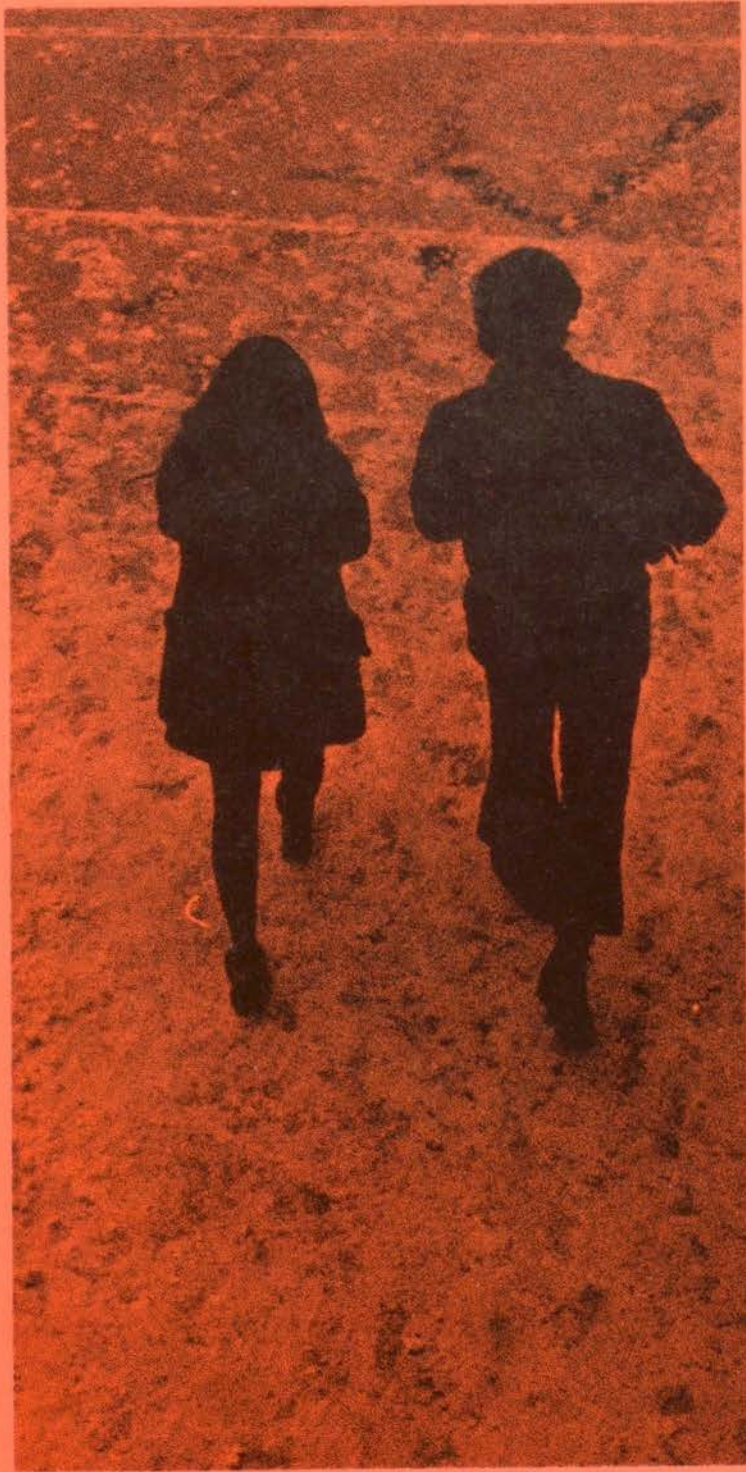

A kiss for luck and we're on our way

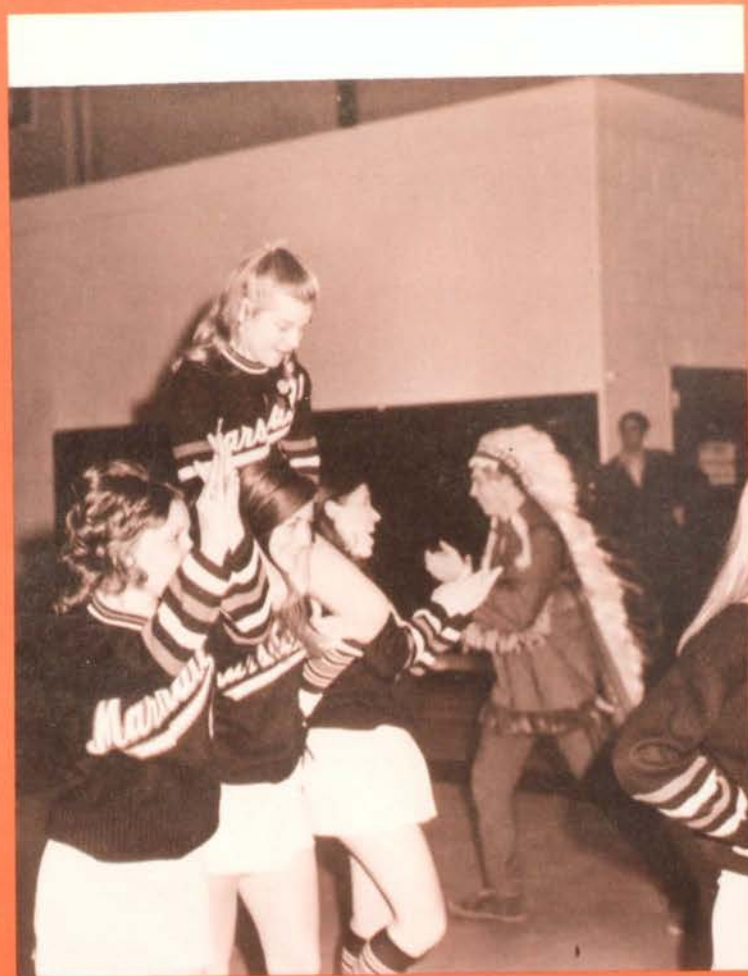

Before the rising sun we fly
so many roads to choose

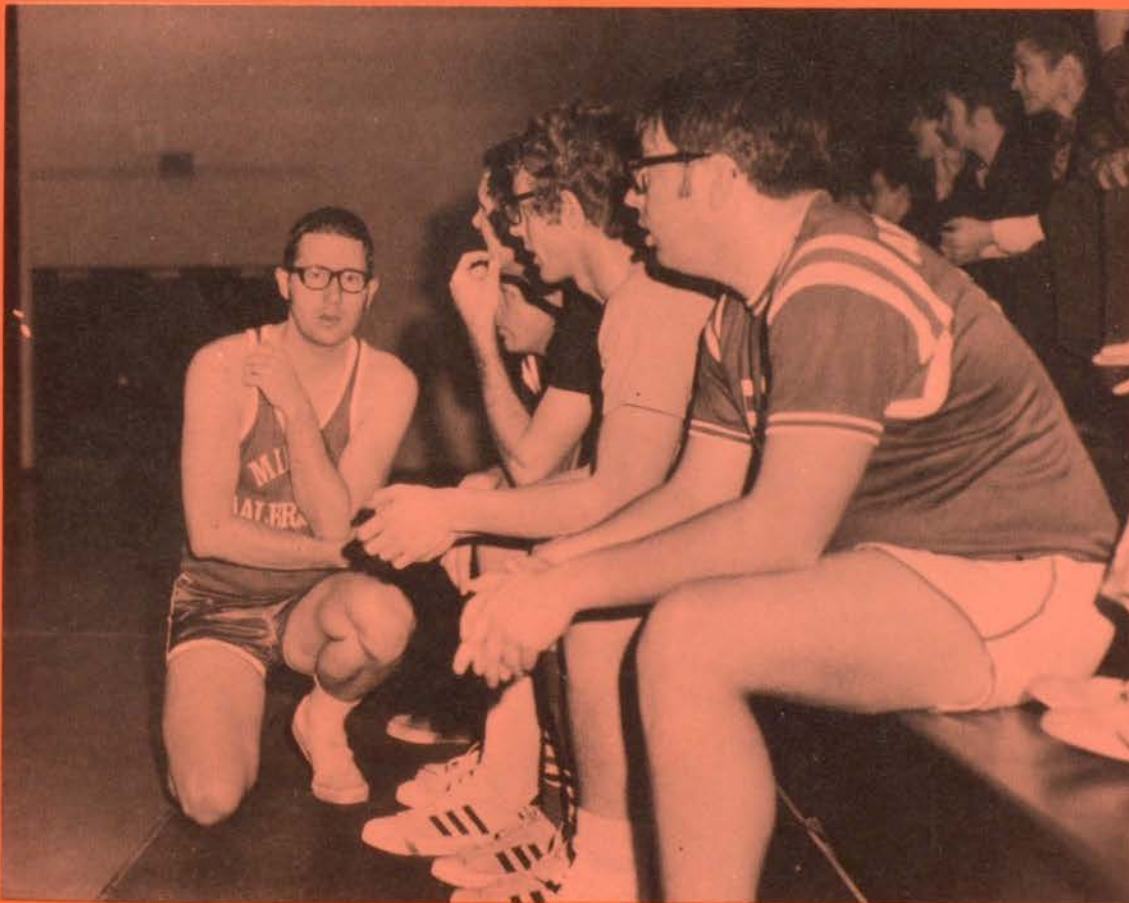

Sharing horizons that are new to us
watching the signs along the way

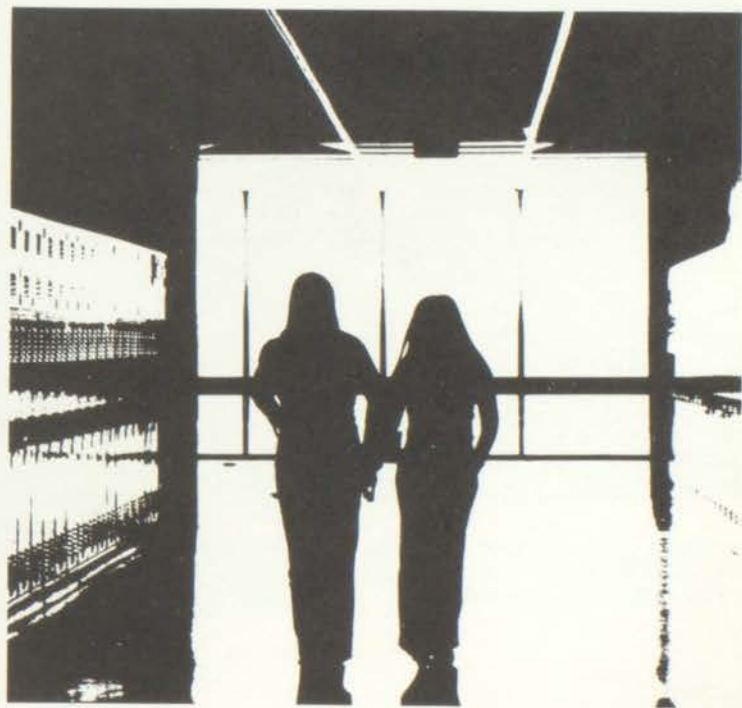

... talking it over just the two of us
working together day to day

Art, Home Ec serve community

The main objective of Art is the freedom of expression. This year the Art department painted the hall of the children's ward at Oaklawn hospital. "Mother Goose" was the theme. This, along with other projects encourage the students to apply their artistic talents.

Mrs. Ann Machek
Art Department

From lovely wood cabinets, to twelve new Viking sewing machines, there's a whole new look in the homemaking department this year. New, also, is a separate classroom area for classes in child psychology.

Business adds new courses

Helping the students achieve an employable skill is the goal of the teachers in Business Education.

Typing is the most widely selected elective subject in Marshall High School.

Business Law and Business Arithmetic are new subjects added recently to the business curriculum. General Business, Office Machines, Accounting, and Shorthand are the other business courses taught here.

Typing, Office Machines, Accounting, and Shorthand are the truly vocational subjects whose mastery should assure student's of a place in the business world.

English Dept. stresses variety

If students can read intelligently, write acceptably, and communicate verbally, they will stand a better chance of success in their total school experience. This training is necessary to adult life.

A variety of methods are used to teach skills needed — class discussions, dramatizations, round table discussions, debates, written work, field trips, etc. Through these experiences, we hope each student will develop a well-rounded background in his language.

(Above) A part of Latin Class studies for a test. (Below) Conversing in Spanish helps students develop their language skills.

Language emphasizes conversational approach

It is our belief that the emphasis should be put on speaking the given language. In the Spanish and French classes this is perhaps more the case than with Latin. The students are encouraged to speak with native speakers of their particular language whenever possible. In the area of Spanish, Mexico trips are taken to give the students an opportunity to live the language and customs.

The written and reading skills are not neglected, however, since some students may be interested in specializing in the given language.

Chairman, Foreign Language

Student publications serve high school

The ability to communicate through written words has become a necessity in today's society. Through journalism, the student is offered the opportunity to express thoughts, opinions and facts through the medium of publications.

The high school newspaper, *Interchange*, and yearbook, *Dial*, are designed and operated as student publications. As publication staff members, students work as a team to produce an end result — a school publication. The students also do most of the planning and production work which are the two major areas of publication work.

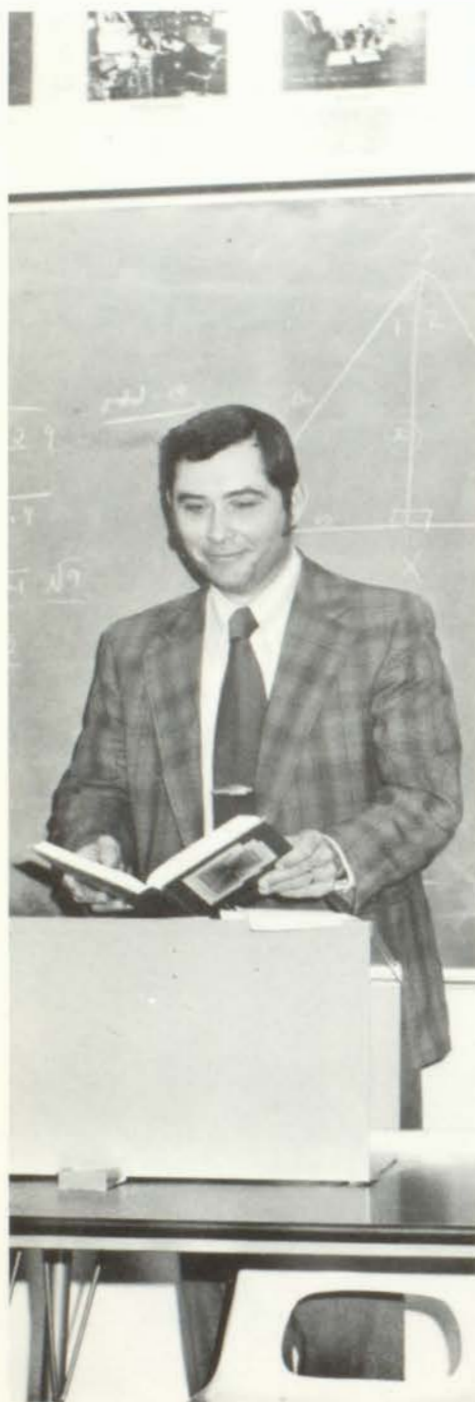

Student journalists perform an important function for the high school community. Since publications reach every member of the high school community, the high school journalists are obligated to offer objective reporting and responsible opinions.

Math seeks improved methods

The Mathematics department objectives for 1971-72 are to:

1. Seek improved methods of motivating general math students.
2. Develop a series of mini courses to provide our students with an introduction to various mathematical topics as well as the non-mathematical topic of the use of a slide rule.
3. To consider, through experimentation, independent study in mathematics.

We feel that a study of mathematics should help a student be prepared to solve related problems in life whether these are simply standard calculations or some new problem which we have been unable to forecast.

Music stresses appreciation

Lead characters Bev Hazel and Ed Smith portray two young lovers in *Carousel*.

The MHS Music Department strives for development of sense of appreciation of music and high performance standards by its students as well as the fundamental disciplines of practice and study. The Marshall Singers, Concert Choir, Orchestra and Symphony Band have made several trips this year to festivals, parades, school assemblies, and concerts. Near the end of the year, all the groups in the department worked together to produce the Rodgers and Hammerstein musical "*Carousel*." This large undertaking, as well as most of the departments activities this year turned out to be a huge success.

Program expands with use of pool

The Physical Education Department is devoted to the idea of providing something meaningful for everyone. Our aim is to provide the basic skills in all areas.

We realize that some students are better acclimated to a physical education setting than others, but our hope is to influence all students to work to improve their physical abilities and skills. We firmly believe that in the future lies an even more important "place of honor" for physical education, and we sincerely hope to meet this need and challenge.

Science Department adds courses, facilities

Two new courses started operation this year. For students at the general science level, "Earth Science" and "Ideas and Investigations in Science."

A school woodlot and pond are being developed and will provide an increasing opportunity to relate science to life. Several science classes complete "in depth" studies in these areas.

Two large preparation rooms, a growth room and two independent study rooms as well as six classroom-lab combinations have greatly relieved our former crowded conditions.

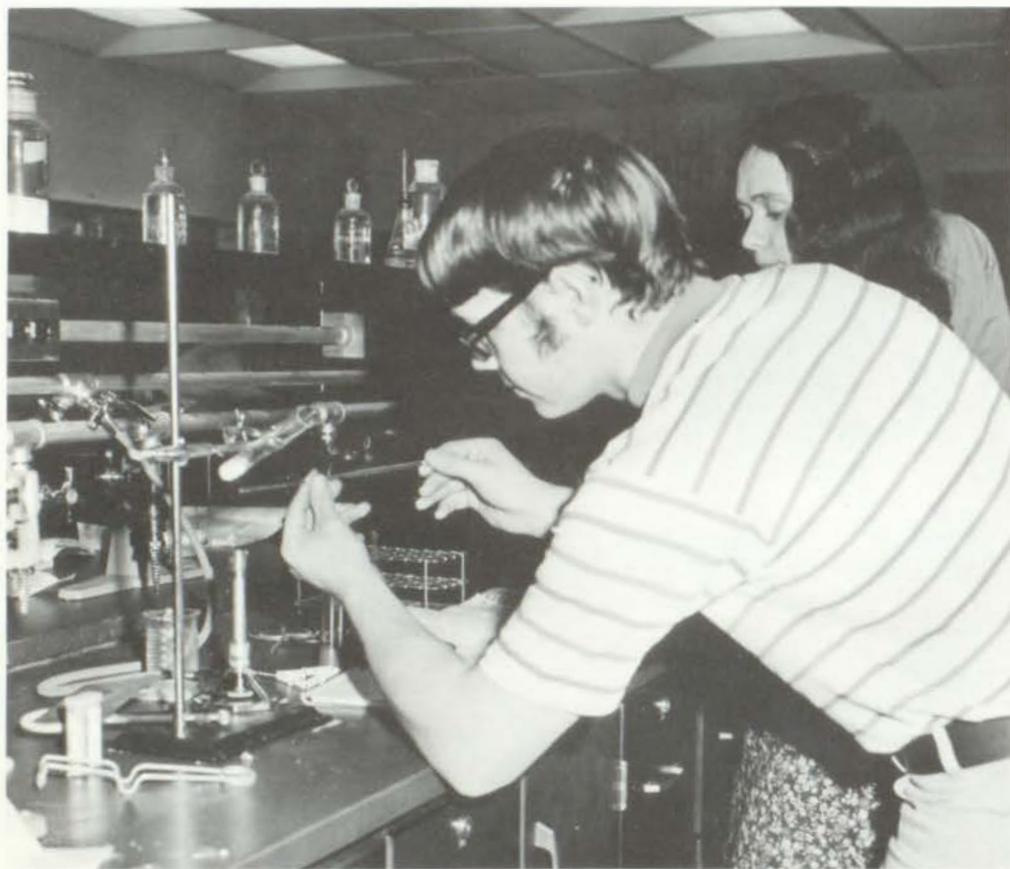

A well-equipped photography darkroom has made it possible to operate a photography club and provide the potential for a future photography course.

Government classes tackle social problems

The numerous social problems that confront us are reminders that changes must come about in how we live and relate to each other. However, before we can change others we must change ourselves. To this endeavor we dedicate our efforts.

To further our understanding of the government the students have Law Days, when once a month a lawyer comes and talks to the seniors to acquaint them with the law as it relates to the students' rights.

Students will be encouraged to become personally involved in governmental activities.

Debaters go to top of Class B

Marshall High School's Debate and Forensics program involves thirty-five to forty-five people, with Debate taking place the first semester of school and Forensics the second.

Forensics offers a number of various experiences which include work in interpretive reading, original oratory and extemporaneous speaking.

This year the Debate team traveled to out of state tournaments at Pittsburg, Milwaukee and Toledo. For the fourth consecutive year Marshall won the Class B State Debate Championship, an achievement unequalled anywhere in the state.

Students create their own atmosphere

Industrial and vocational education is a curriculum area in which students may create, experiment, design and plan while dealing with issues related to technology. The specific involvement of youth with tools, materials, and equipment gives them the opportunity to relate general education subjects to occupational exploration which offers a meaningful and practical response. A well planned curriculum can create a firm foundation for whatever career may be chosen by a student, it can develop an understanding of the need for the wide use of science and technology in the service of society.

New facilities aid students

The Materials Center is equipped with many features. Individual carrels offer tape players, record players, and filmstrip previewers for anyone who desires to use them. Additional study space and a leisure reading area have made the Center a wonderful place to study, browse or just relax with a good book.

The Guidance and Counseling Services provide information and counsel in helping boys and girls solve their personal, educational and vocational problems. The counselors strive to create an atmosphere that will encourage students to express their feelings about school and problems that concern them. Information relating to colleges and business and vocational schools is available for students to assist in their career planning.

Custodians use new equipment

The High School Service Staff under the direction of Mrs. Elizabeth Dunn and Mr. Kirk Neuffer are kept on their feet feeding the students and cleaning the new building. They have help though. They have been supplied with bigger and better equipment. The janitor staff now has a huge and powerful sweeper which certainly helps clean some of the many rooms and corridors at Marshall High School. In order to satisfy the hungry students, the cafeteria staff find it easier and faster with their brand new, big cookers.

40 students produce play

Marshall High's Senior Class presented "The Remarkable Incident at Carson Corners" Nov. 26 and 27 in the Middle School Auditorium.

The play centers around the death of a young boy who was killed when he crashed through a rotten guard rail on the fire escape. After blaming the janitor at a mock trial controlled by the students, the community residents realize that they are all responsible in some way or another.

Twenty-six people had speaking roles with a total cast and crew amounting to forty students.

STUDENT LIFE

Mr. Telfer stresses two of the many fallacies of public speaking to his class.

City honors Debate Coach

On March 17, a flag raising ceremony was held to kick off Jim Telfer day. This day was set aside by the city to honor Telfer for his four consecutive Class B state championships in debate.

Later that evening, there was a community wide banquet giving recognition to the forensics and debate programs and the past state championship debaters. During the dinner, Coach Telfer was given numerous awards of a personal nature from his students.

The evening was closed by a rendition of "The Twelve Days of Debate Class," sung by his students.

Seniors victorious over week's activities

Homecoming 1971 opened its festivities by announcing Queen Amy Hice and her court.

Besides the traditional float making at the fairgrounds, several new class activities were added throughout the week. On Monday night the Freshman turtle came through for a big victory, and then the spotlight turned toward the victorious Seniors, Rick Huggett and Jerry Crampton, who won the egg eating contest. On Tuesday night the Seniors again placed first in the greased pig contest. The float competition highlighted Wednesday night. On Thursday, a V.W. push began at the middle school and ended at the athletic field with Seniors again taking the lead. Following the V.W. push was the tug-of-war, bonfire, and hot-dog roast sponsored by the Student Government.

Friday afternoon was dress down day for the students and teachers. The cheerleaders held a Pep Rally out in the parking lot for the conclusion of class activities.

Jan Scovie crowned Junior Miss

Marshall's 1972 Junior Miss, Jan Scovie, was crowned before the capacity audience which viewed Marshall's first two day pageant. Other winners in the sixth annual pageant were: Nancy Covill, first runner up, Pam Hathaway, second runner up, Jean Heckman was chosen as Miss Congeniality, and Regina Kuschman received the scholastic award. Janet Scovie also won in the Creative and Performing arts category with a reading from Paul Gallico's *Snow Goose*.

Due to the large number of girls competing for this title, the pageant took place Friday and Saturday, November 26 and 27.

On Friday the girls presented their talent performances before the judges and the pageant's audience. On Saturday night, the crowning of the 1972 Junior Miss took place.

After being chosen as one of the 12 finalists at the Regional Pageant, Jan competed in the State Pageant on Feb. 4 and 5. Jan was chosen to receive the Kraft Party Planning award, and was also selected to present her talent performance.

Sophomores win Pie Eating Contest

In front of the Marshall-Albion fans, the two Sophomores, Beth Niehaus and Doug Palmiter took the honors in gobbling up the chocolate pie, resulting in a big victory for their class.

For the purpose of making money, the Senior All Star Team took on the faculty. The game proved to be an evening of many laughs. Even though the Seniors had their very own cheerleaders, Bob Ramos and Mike Chism, the faculty came out on top.

"A Circus Affair" is theme for formal

This year's GAA formal took place February 26. The theme for this year's formal was "A Circus Affair," with many colorful decorations. The formal this year took place in the cafeteria instead of the gymnasium. The band featured was "Otis Einstein."

Chairman of decorations was Wendy Goyman. Refreshment chairman was Vanessa Denniston. Cathy Brown served as publicity chairman, while programs and special invitations were headed by Marge Sobel and Linda Tazelaar.

Big year for Marshall Bands

Throughout the year, the Marshall Music Department has been very busy presenting various concerts. One of the biggest events was the musical "Carousel" which consisted of the entire music department. The Marshall band was also kept busy performing year around. The "Band O Rama" was one of their highlights for the year.

Other groups have come to perform for the students, they consisted of the "K.C.C. Singers," and "The New World Singers."

Indians scalp Cowboys

This year, the Sherman School PTO sponsored the 1972 Donkey Basketball Game. Participating in this event were Marshall teachers and MHS Senior boys.

The evening proved to be many laughs, as the Cowboys took on the Indians for a long hard basketball battle. As the evening progressed, the Indians moved ahead to win the game. The final score was 18-12.

(Left) "Turn around ya tomato, we're going the wrong way" shouts Coach Harmsen.

Sea Magic theme for J-Hop

Trying to come up with an appropriate atmosphere for the evening, the Junior class of '72 chose "South Sea Magic" to be the theme for the J-Hop.

Instead of having it in the gymnasium, where it traditionally has been, the dance was held in the cafeteria.

Along with the beautiful decorations, the couples were met at the door by two doormen Ron Simmons and Brian Grable. Couples also enjoyed dancing to the sound of the "Merry Motor Company." Refreshments were provided with the help of the Home-making Dept. to complete the memorable evening.

Juniors present women's lib comedy

The first play to be presented in the new high school auditorium was the Junior Class Play, "F.L.I.P.P.E.D." This comedy centers around a women's lib group who's initials stand for Female Liberation Idealists Party for Permanent Equality and Democracy. The enthusiastic cast of forty-one members, not counting all the crew members, held three performances on March 23, 24 and 25, 1972. A variety of parts ranged from construction workers to kittens, who worked in the Kitty-Kat Club.

Directing his last play was Mr. Michael Perry assisted by his student directors, Vicki VanWieren and Scott Minick.

(Above) Caught in one of their many hilarious demonstrations are the cast members of "F.L.I.P.P.E.D." (Right) Comparing kitten notes are head kitten, Deb Murphy and construction foreman, Craig Petroff. (Below right) Practicing their entrance demonstration are the women libbers.

ORGANIZATIONS

(Above left) French Club members gather around the first check they sent to their foster child in India. (Above right) Mrs. Brown, French Club sponsor, digs into her "bag of tricks" to find some goodies.

Clubs serve school

If you entered a French Club meeting, you might suspect you were in the midst of a women's liberation group. Over the years, the male population in our group has dwindled. Despite this, the French Club has accomplished a lot this year. We decided to support a child in India and to take a short trip to Chicago. With Mrs. Brown's help, we had a successful year.

Vicki VanWieren, President

Usher Club is one of the most honorable organizations in M.H.S. A quota of girls is chosen each year and are judged by teachers and Usher Club members on the basis of personality, scholastic ability and citizenship. Our duties are to usher at various school and civic functions. Sponsoring the group this year was Mrs. Karen Jones. Jean Heckman served as head usher.

Co-op, FCA enrich youth

Cooperative training and its related instruction can be an aid to any junior or senior student who is seeking some knowledge of the world of work. Our goal is to give them some saleable skill when possible or at least a working knowledge of the skills necessary to succeed in today's world.

Mr. William Josephson, Sponsor.

This is a quote that explains why the FCA exists. The quote was said by Don McClaner, as a young Oklahoma student and coach in 1947. "The athlete is used to selling everything from razor blades to automobiles. Why not harness this hero-worship to boost the greatest product of all — the Christian faith."

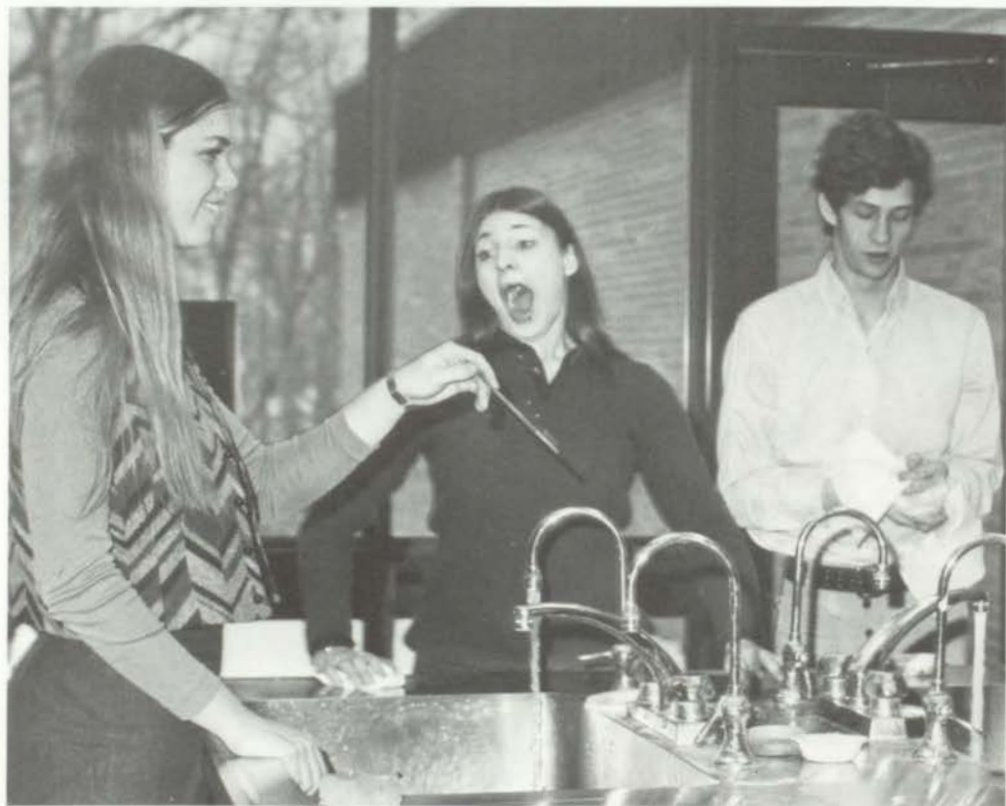

Steve Benson, President

It's true that FCA builds strong minds and bodies, or at least strong backs.

Art Club, FFA enrich learning

Art Club's purpose is to further the members' interest in art as a whole and enrich their creativity. An example of putting your talents to work was seen in the Valentine's Day Bazaar in which all sale items were made by the members. Mrs. Ann Machek sponsors the club.

Bev Meservey, President

The current F.F.A. chapter is under the direction of Mr. Floyd Beneker. For five consecutive years it has won the "Gold Award;" the highest award for a chapter, given for success in carrying out the objectives of the group. Individual learning through experience and personal responsibility are prime benefits for an F.F.A. member.

This year the Girls' Athletic Association was off to a start before it even began with two additional sponsors along with the original sponsor, Mrs. Gilbert. Our two new sponsors are Miss Belson and Miss Kesterke.

With the help of Mr. Cooper, we were granted the use of the pool three times a week. This time was used for synchronized, competition, and open swimming. Miss Belson was in charge of the pool.

Miss Kesterke was head of Gymnastics. The gymnasts worked in the balcony every Monday night.

This year's officers were President, Nyla Dunn; Vice-President, Betty Onweller; Secretary-Treasurer, Vicki VanWieren; and Point Keeper, Carol Shaffer.

Latin Club, NHS non-apathetic

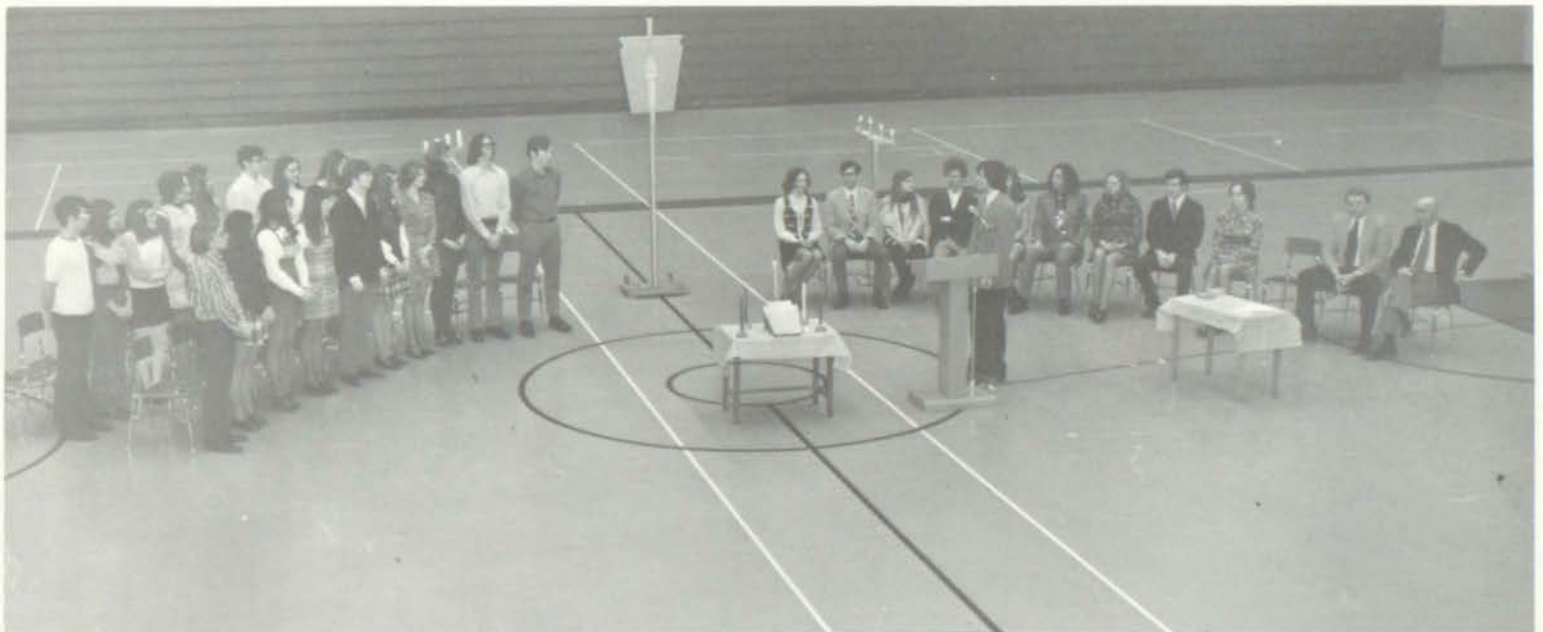

Latin Club members are generally the kind of people who care about people — otherwise they wouldn't care to read what some man had written two thousand years ago!

During the year, Latin Club celebrates some Roman occasions; they are purely social gatherings where friends can work and play together.

Mrs. Galberech, Sponsor

We feel N.H.S. is a good organization for M.H.S. because it recognizes not only intellectual ability but other areas of living in a community and school. This organization takes into consideration the total contributions of a student. It serves as a stimulus to M.H.S. students to strive to make contributions in all areas, not just academic or sports or music.

Photo, Pep Clubs urge participation

Pep Club's goal is to raise school spirit. This is done in a number of ways, one being the making and posting of pep signs. Another way is for each member to raise school spirit as an individual by displaying good school spirit to others.

Some of pep club's projects this year were sponsoring a dance and sending two Christmas baskets to deserving families. A trip and the awarding of pep pins are some of the future projects.

Pep club is proud of its accomplishments, but is always looking for more and better ways to promote school spirit.

Marcy Hall, President

Photography Club is really a worthwhile club to join. In the club you learn how to take and develop your own pictures.

A new activity was added this year. The members learned how to take portraits and how to do oils.

Also, as an outside activity, any member who was interested could become a contestant in the Scholastic Photography Awards contest.

In Photography Club you not only have a good time, but you learn at the same time.

Student Gov't: many new changes

This year, more than any past year, things around the school have changed. I will give you an idea by listing the things the Student Government has played a part, either directly or indirectly, in changing.

We now have an a la carte line in the cafeteria. We also have a student lounge with a pool table and juke box. Now, if you are late for class your grade does not get lowered. Being tried on an experimental basis; you can leave school for any reason as long as your parents write a note. I will leave it to your discretion to decide whether these changes are beneficial or not.

Campus Life provides many unique activities

Campus Life is a non-profit organization that sponsors many fun-filled activities throughout the year. It is an area wide group, which gives kids from different schools a chance to meet each other. During meetings on a more serious note, Campus Life relates religion to everyday life. The philosophy behind Campus Life is called the Balanced Life Concept. It says there are four major areas of your life, which all deserve some attention. They are the social area, the spiritual area, the physical area, and the mental area. Campus Life attempts to provide activities in all these areas.

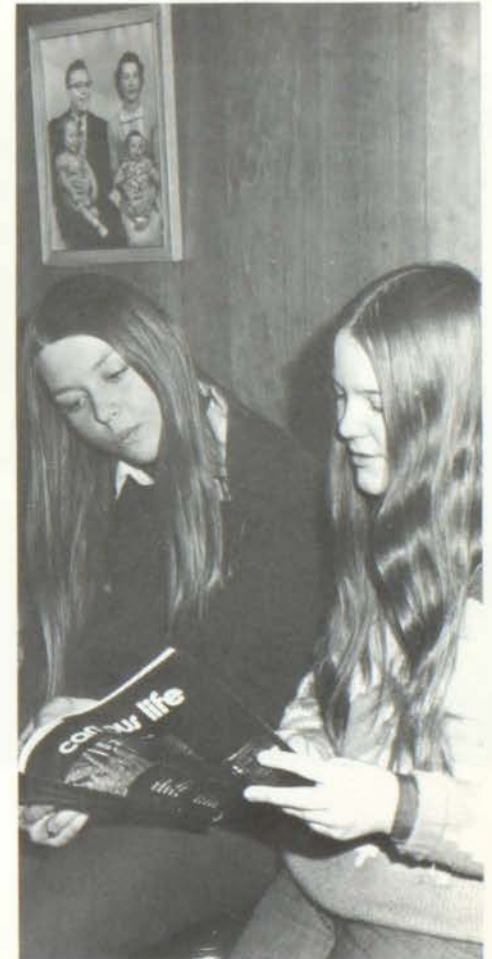

There are no membership rules. All you have to do is come.

Redskin harriers compile 6-2 record

This year, Coach Brad Haines guided his harriers to a 6 and 2 record and finished in a tie for second with Harper Creek. The Marshall runners bounced back after a mid season setback caused by injuries. The team, comprised mostly of underclassmen, placed sixth in the Albion College Invitational, fourth in the Sturgis Invitational, and took a third place in the Twin Valley Meet.

Redskins place 2nd in Twin Valley

After a slow start, due to many injuries, the Marshall Redskins compiled a 6-3 record and placed 2nd in the Twin Valley.

Four players were chosen for the Twin Valley All-Conference team. Those Redskins included, Steve Saylor, Larry Johnson, Dave Crapo, and Tom Kipp. Those receiving All-Conference Honorable Mention were: Jim Trapp, Tom Batista, and Matt Oren.

For the Second year the Redskins beat Albion by the score of 37-00.

This year Matt Oren and Jim Trapp were co-winners of the Most Valuable Player Award, Terry Walters was named the Most Improved Player and the Oil Can Award went to Mark Loyer.

JV's improve; get new coaches

Under the leadership of two new coaches, Ron Labadie and Richard Cronk, the Junior Varsity unit compiled a 4-2-2 record, beating last year's 1-5-1 record.

Injuries, lack of players and the loss of key players to the varsity, plagued the team throughout the season. Next year, the squad members are looking forward to their first varsity season.

Once again this year, as in the past, a large number of boys played on the Freshman Team. The 52 players were divided into an A and B squad with the A compiling 3-4 win-loss record and the B with a 2-2 record.

Varsity compiles 6-11 record

Although Marshall suffered a disappointing season, there were times when they looked like all-stars. The Varsity basketball team finished with a 6-11 record but big moments came when they defeated Springfield, 104-69, and upset Sturgis, on the Sturgis court, by a big overtime score of 69-68.

Fourth quarter cold spells hampered the round-ballers most of the season. In their first game in the new high school gym, the Harper Creek Beavers defeated the Redskins by two in double overtime. Then in the district tournaments, Marshall was defeated by Albion when the Wildcats scored 38 points in the fourth quarter.

Frosh, JV's have contrasting season

Coach Dave Harmsen's JV's suffered a disappointing season which was primarily due to a lack of players. In spite of the team's problems, they did put together a 7-9 record with Tom Freds, Rich Simpkins and Mark VandenHeede emerging as the team leaders.

Coach Bob Byington, new to Marshall, finished his first season with a 12-4 record. The Frosh also placed first in the Harper Creek Tournament. The team showed good shooting ability and defended their basket with half and full-court pressing.

The lack of wrestlers in many weight classes, along with student apathy toward the sport, greatly deterred their effectiveness. The grapplers, under the guidance of coaches Gary Gilbert and Ben Armstrong, compiled a 2-10 win-loss record and finished in a tie for last in the Twin Valley.

Senior Mike Bushman and Captain Charlie Lawler, the only team members with experience, formed the nucleus of this year's young squad.

Track team sets new school records

The Marshall Track squad under the guidance of Coaches Barney Roy and Richard Cronk, compiled a fine 6-1 record in dual meets and placed 3rd in the Twin Valley Meet. They also ran in Invitationals, placing 2nd at the Sturgis Relays, 4th at the Hastings and Marshall Relays, and 7th in the Albion Relays.

During the season many school records fell. A new 880 relay mark was set at 1:33.0 by Jim Dobbins, Rick Scherer, Dave Crapo, and John Blodgett, at the state finals. Fred Klein's 10:07.1 in the two mile in the Regionals set a new school record. The long jump record which stood for 41 years fell to Dave Crapo when he jumped 22'3¼" against Albion.

Tennis, golf record good seasons

This year marked the first time that high school golf had been played in the fall, and as in the past, the golfers enjoyed a successful season. Coach Don VanderGeest and his linksters compiled a 15-6 win-loss record with a first in the conference, third in the regional, and a sixth in the State Tournament. Dan Ashdown received the E. Lear Kaye Award this season with a 37.95 average. Mike Dean, a junior, along with Ashdown were named to the Twin-Valley all-conference team.

After a slow beginning, the Varsity Tennis Team bounced back with ten victories in a row and ended the season with a 12-6 record and a 5-1 mark in Twin Valley. Coach Don Hiemstra's netters finished third in the conference match held in Sturgis, and captured a second in the Regionals. These fine finishes enabled the teams to place second in the Twin Valley this year.

Baseball records winning season

Baseball began early in May this year and the squad opened the season in fine fashion, winning its first 12 games.

Coaches Robert Rowbotham and John Barnes were very pleased with the varsity team compiling a 7-1 record in the Twin Valley and a 15-1 win-loss record up to the Memorial Day weekend.

With the help of seven returning lettermen, the 1972 Redskins are looking for another Twin Valley championship.

Cheerleaders attend camp

To start the new year off, all three squads of cheerleaders attended summer camps to gain new skills and bring home ideas to promote school spirit. The Freshmen won a first place ribbon at their camp in Midland, Michigan and the Varsity traveled to Vincennes University in Vincennes, Indiana to bring back a first place, two second's and third place ribbons for their competitive efforts.

Through the school year the cheerleaders held many dances which were all quite successful and worked hard making signs and planning activities to back the Marshall Redskins.

The 1972 Dial

The 1972 Dial was planned and edited by a student staff and was printed by Taylor Publishing Company. The 224 page book is printed on 80 pound matte finish enamel paper, has a two-color silk-screened cover and features four ink colors.

The 1972 Dial Staff and advisor wish to thank Beller Studio, the Marshall Evening Chronicle, the MHS Photography Club and its advisor, Mr. John Malinowski for their photographic assistance and contributions. The staff and advisor also wishes to acknowledge Mr. Lee Zimmerman of Taylor Publishing Company for his advice and assistance regarding the production of the 1972 Dial.

the 1972 Dial staff and advisor,
Brian Olmstead

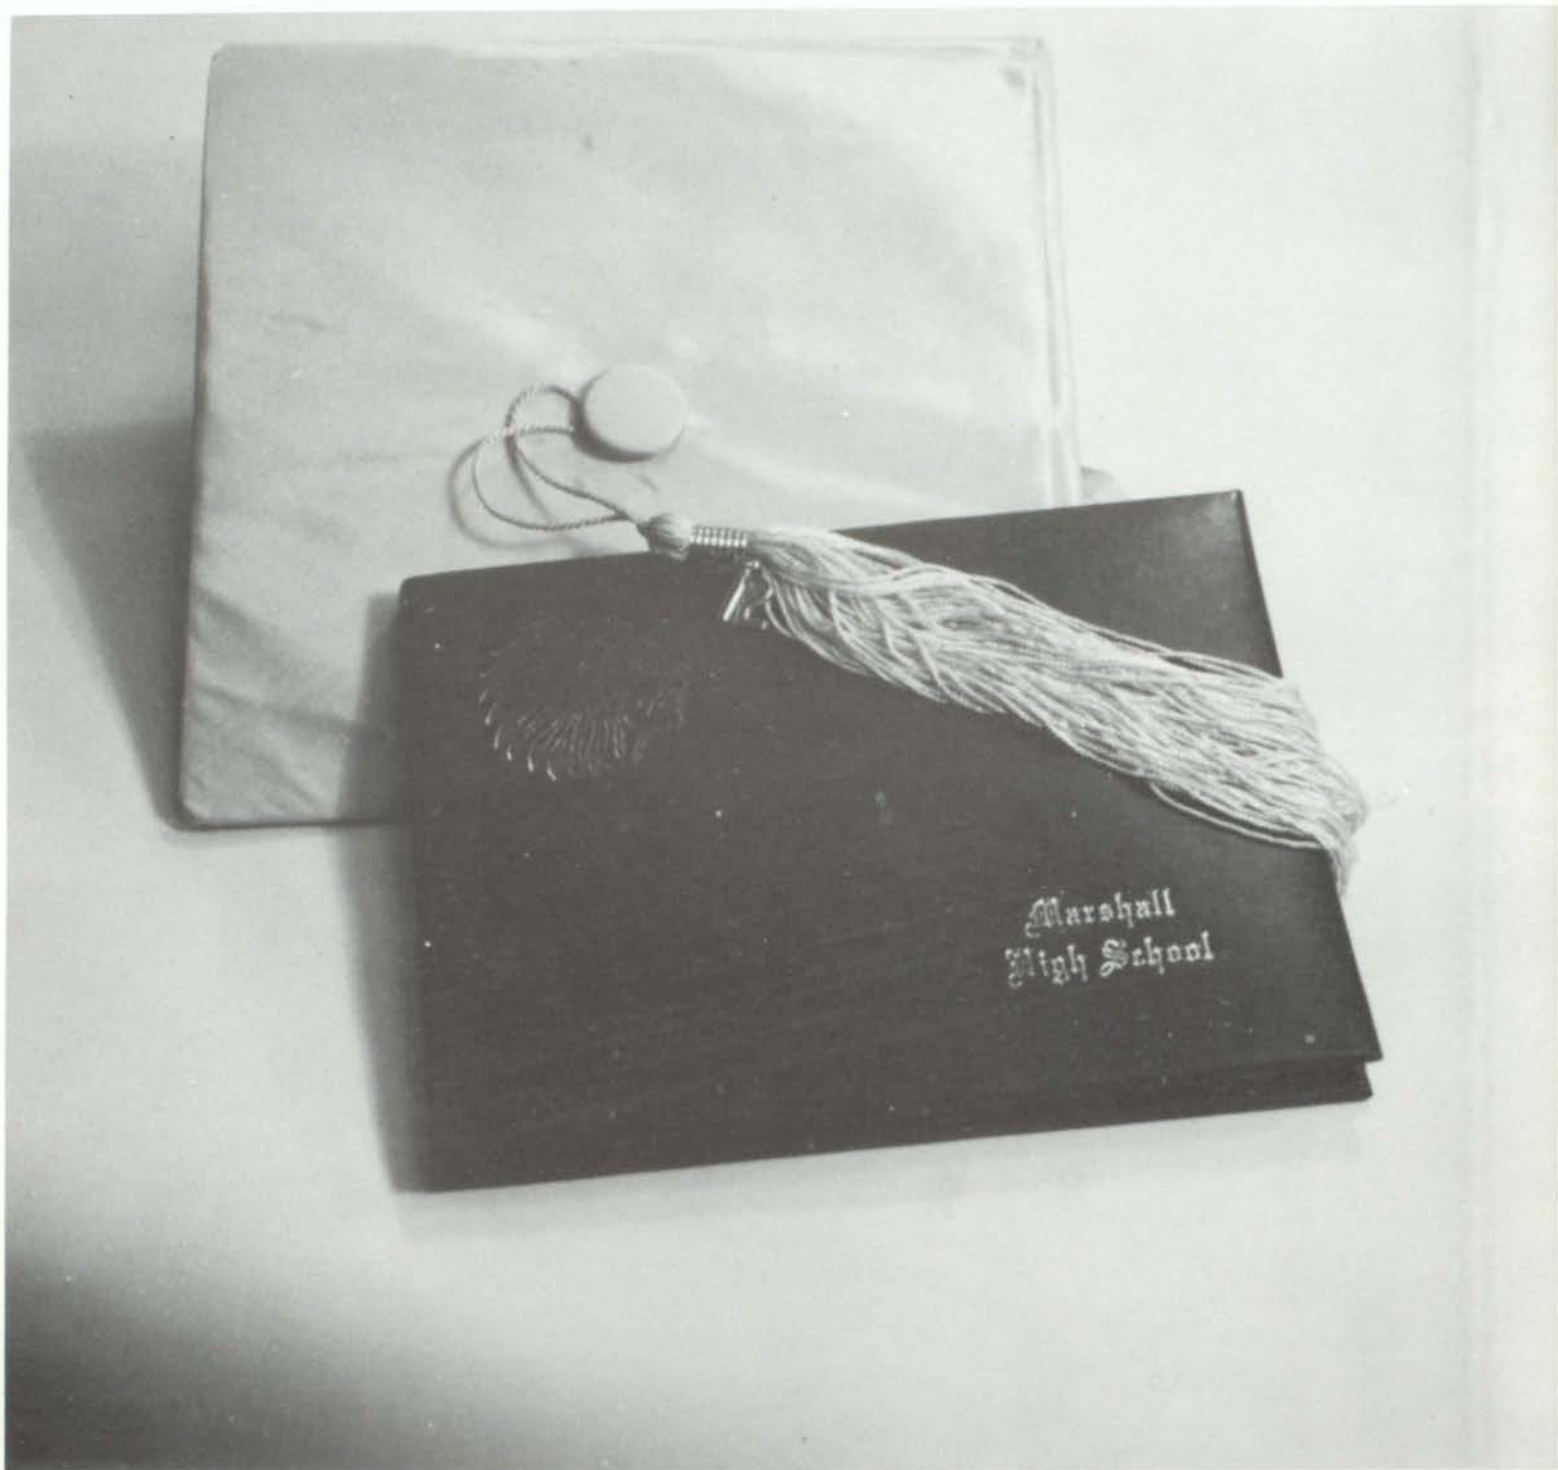

(Top right) "Elmo" Olmstead does his usual good job advising the yearbook staff. (Left) Trying to edit the yearbook is Janine Hubs. (Above) This year's Dial was rubber-stamped by the team of Deb Flynn and Deb Dressel.

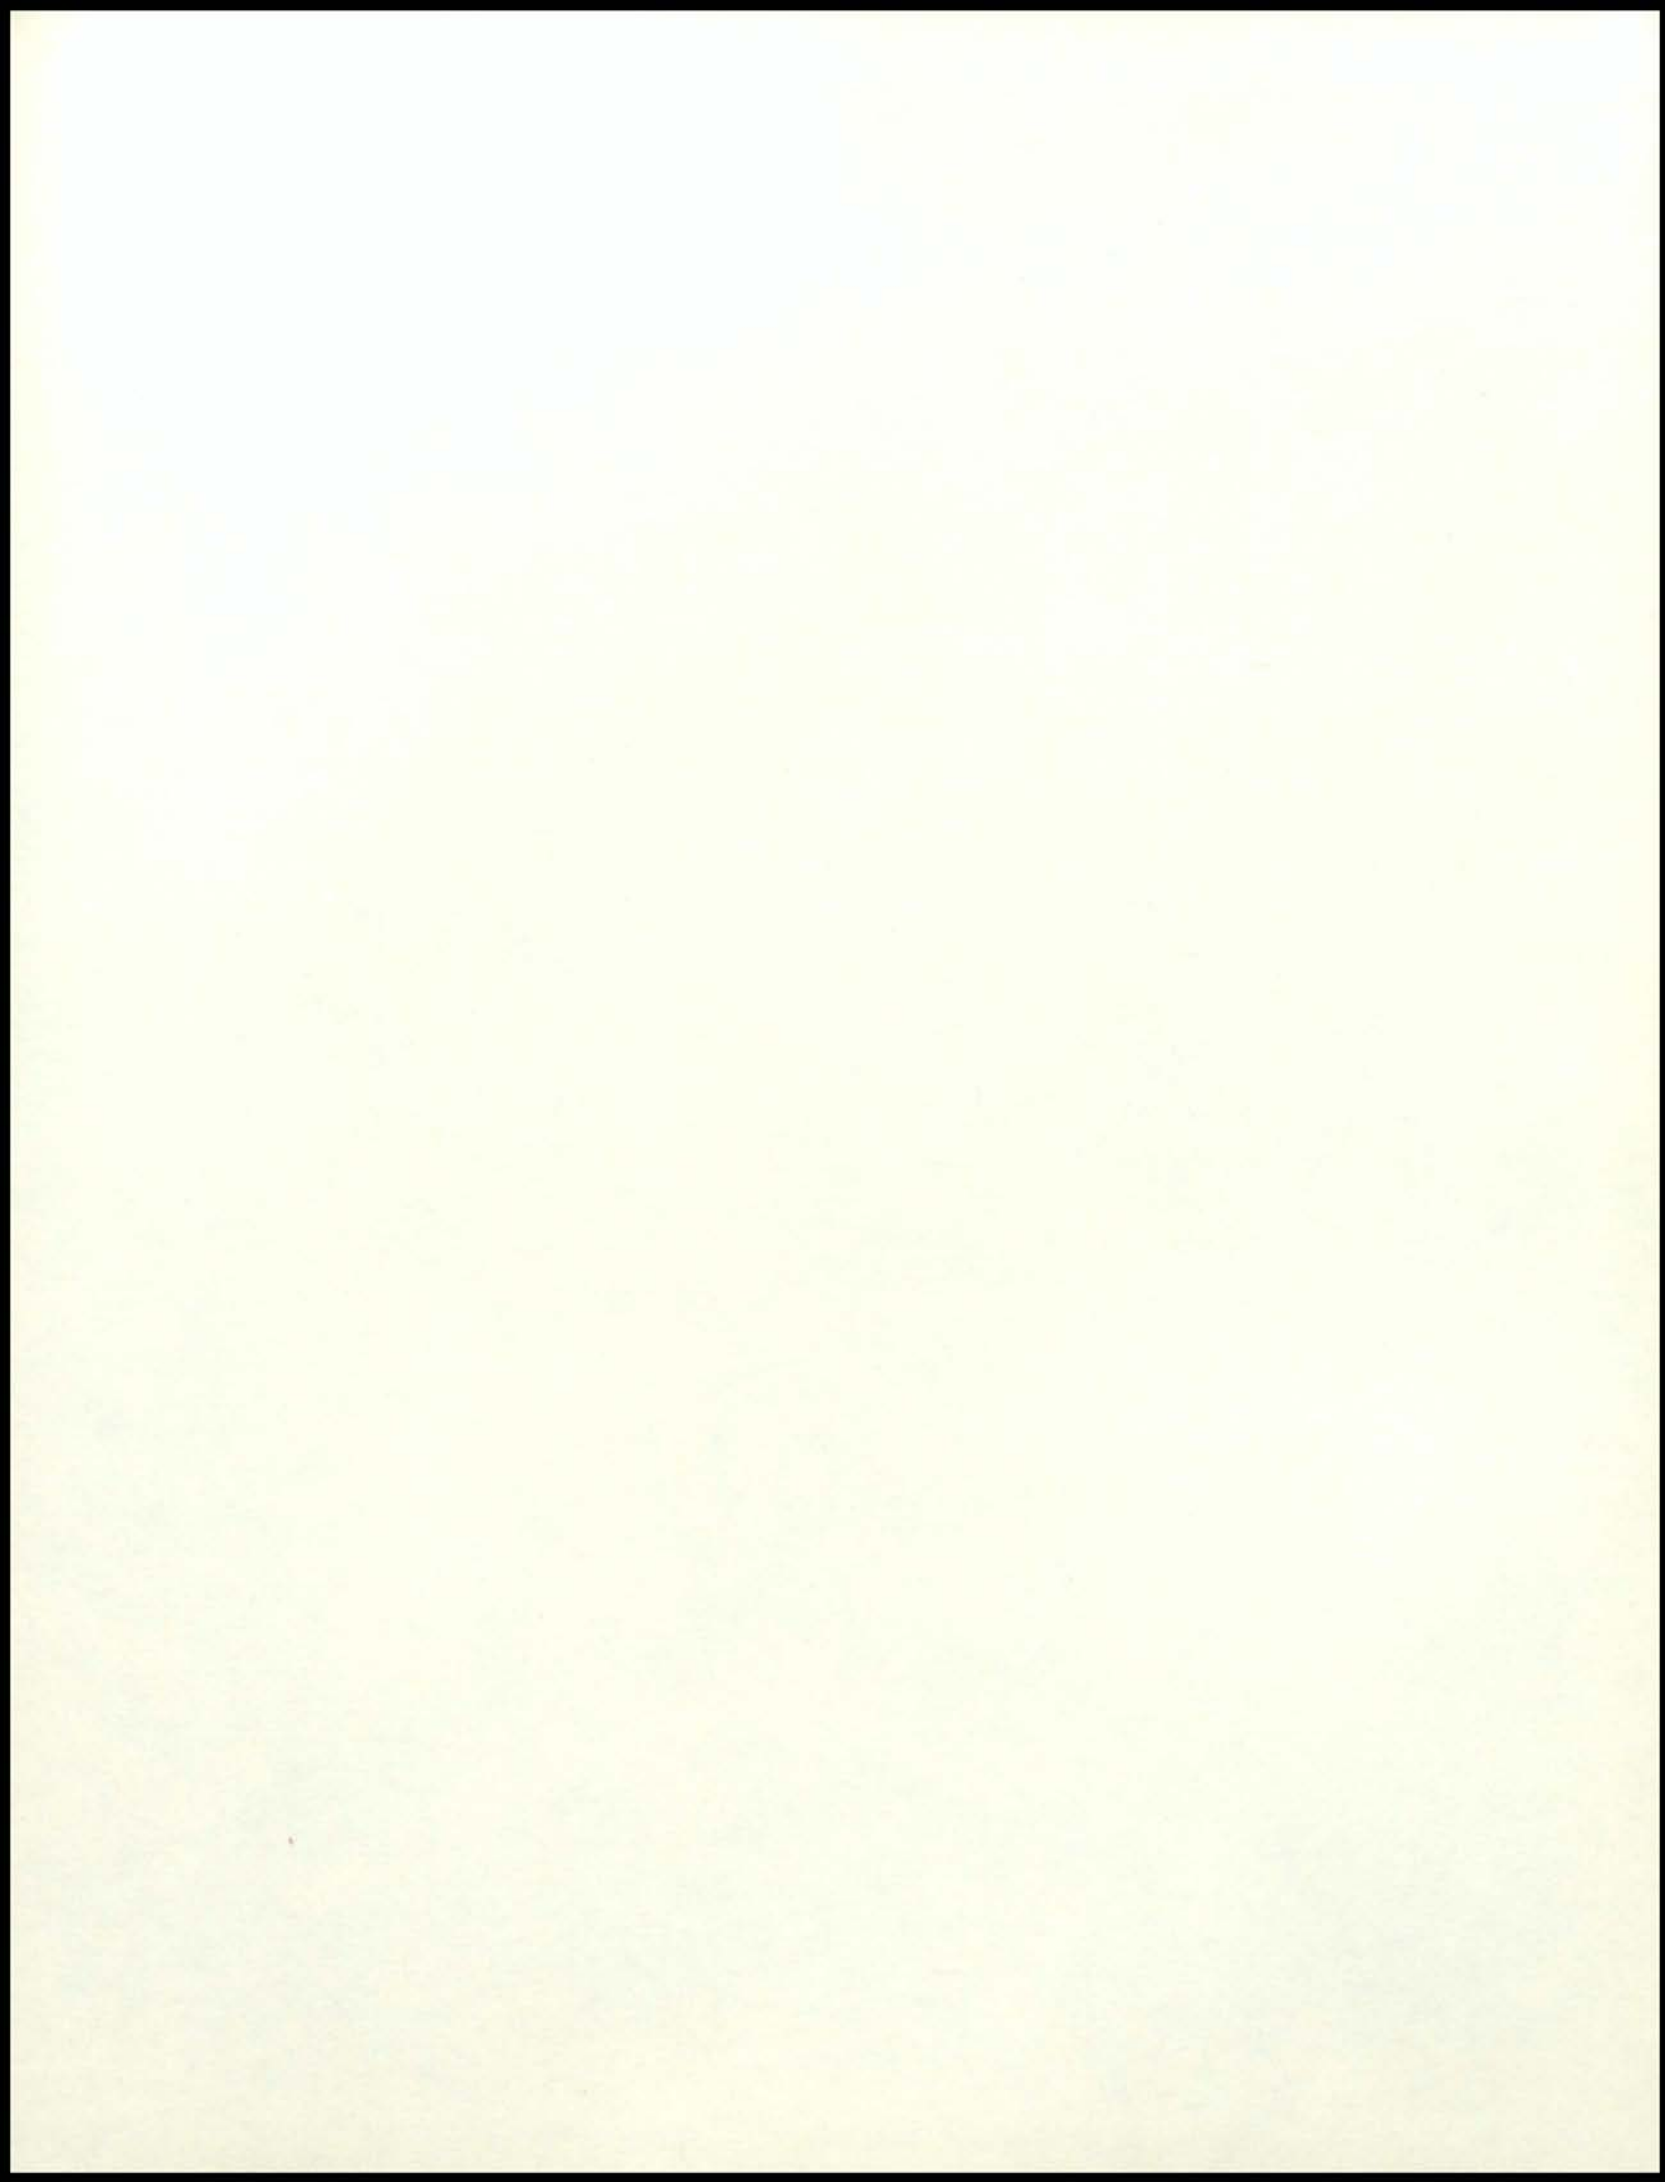

(Above) The 1972 DIAL STAFF passes out last year's yearbooks during the summer. (Below) This year's DIAL STAFF included D. Fleser, J. Hindenach, Mr. B. Olmstead, K. Robinson, J. Williams, J. Hubbard, N. Walsh, T. Quigley, S. McClay, C. Minniear, M. Meharg, P. Cooper. (Back) C. Petroff, J. Weidner, D. Rosenau, B. McKenzie, M. Sayers, D. Clutter, C. Clatterbuck, and O. Bennett. Missing were Deb Flynn and Deb Dressel.

. . . and yes
we've just begun
